REPORT OF THE CHIEF OF POLICE

Here is my report for the year 1962 accounting for some of the activities of the Police Department.

Calls and Complaints	152
Warrants Served	10
Arrests	10
Court Cases	10
Traffic Warnings	60
Calls on Dog Taxes	42

Our main roads were policed on all busy holidays and weekends. Weekly inspection of camps and unoccupied buildings were held also.

The Department members attended the monthly meetings of the B.M.P.A., (Rockingham Mutual Police Association) to better understand police work and procedure in the community.

Police equipment is still being purchased, and several useful articles from Civil Defense have been put to use.

A Junior Police Patrol has been formed at Swasey School. Badges and straps were donated by A.L.A. The Patrol assists at bus loading and unloading in the school yard, also to watch over the walkers to the corner of Rts. 111A and 125. Mr. Hanson and Roscoe Fuller have been assigned as drill masters for the Patrol.

In Conclusion I wish to thank the members of the Department, Town Officers, other Departments and citizens for their cooperation and support this past year.

BRENTWOOD LIBRARY REPORT

It is with pleasure I write this short report. I have been Librarian for only six months, and feel we are on the road to a bigger and better Library. Through the help received of the Library Trustees, we joined Sheiling Trust Co-operative book selection group and the centralized purchasing plan. All special and regional meetings were attended.

I want to Thank Mrs. Rachel Sanborn for her untiring help and assistance, also the service received through the Bookmobile.

May I at this time thank the Trustees for allowing me to be your Librarian.

Respectfully submitted,

FLORENCE E. CORBETT

AUDITOR'S REPORT

The accounts of the Trustees of the Trust Funds, the Tax Collector, Town Clerk, Highway Agent, Librarian, Selectmen and Town Treasurer have all been examined by me and found correct and with proper vouchers and a balance of Twenty Thousand Six Hundred Forty-five Dollars and Forty-four Cents (\$20,645.44), in the Treasury as of December 31, 1962.

The Town Officers have been most co-operative during the audit and all the books were in proper order. Brentwood is very fortunate to have such a fine choice of Town Officers.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Brentwood:

Once again, a new Superintendent of Schools is writing this report, and, even though he is gradually becoming familiar with the Brentwood educational system, he realizes that there is still much to be learned.

One thing appears quite obvious, however, the ever-increasing enrollment problem is still with us. To alleviate the situation temporarily, your school board is recommending the placing of a partition in the cafeteria which would provide emergency classroom space, and, also, the employment of an extra teacher for this area. This change would enable us to separate all grades except the sixth and eighth. Normally the seventh and eighth grades would be grouped together, but since next year's seventh grade is so large, the grouping of the sixth and eighth seems to be more feasible.

I echo the words of my predecessors in stating that Brentwood has a fine educational program at Swasey School. Although Principal Hanson teaches full time, he works very closely with his staff in keeping with current teaching methods and also in developing new programs. The use of the new SRA Developmental Reading Program and the fifth grade conversational French instruction are but two examples of this.

I wish to thank the school board for their able assistance and wholehearted cooperation and hope that as time goes by, I may be of greater service to you and your community.

FRANCIS C. WILSON,

Superintendent of Schools

SCHOOL HEALTH REPORT

To the Superintendent, School Board Members, and Citizens of Brentwood:

The 1962 school year brought increases in the school enrollment, which of course brings increasing work and responsibilities in the areas of service which the nurse covers.

We are fortunate to have a principal and teachers who are interested in the whole child. They recognize that individual health is paramount in importance in developing each child to perform at his emotional, physical and educational peak. Consequently, health is taught in the classrooms at each grade level. Besides this, a physical education program is being carried on which is a credit to all concerned. Most youngsters become very enthusiastic about the daily exercises, especially as they see their physical prowess developing.

The quality of the hot lunch program is excellent. This includes the meals served as well as the integration of the program into the total learning of the children.

Child health conferences were held in Epping in the spring with immunization shots and vaccinations made available free of charge. Brentwood parents were invited to take their preschool children to these clinics, but only one parent took advantage.

Attendance at the Sabin polio clinics held in June, July and September met the expectations of the County Medical Society. I wish to thank again those who gave so much of their time and effort to help organize these clinics during these vacation months.

Very little is being done at the state level for emotional problems. When these arise locally, our only recourse is to private treatment and the cost of this is prohibitive.

Brentwood, to my knowledge, has never had a dental clinic. A crisis seldom arises, but it may be a good idea to conduct a survey in the form of a questionnaire to parents, from which the need for a clinic could be determined. A sponsoring organization would be needed to raise the money for state matching funds.

It is a pleasure to work with the children in Brentwood.

Respectfully submitted,

CONSTANCE HUSS, R.N.
